5. Invoicing and Payments.

(a) For all Services provided by the Contractor in accordance with paragraph 1 during the Service Period, the County agrees to pay the Contractor \$50.00 per hour not to exceed forty-two (42) hours per calendar month. (b) The Contractor will not be reimbursed for mileage or any other expenses associated with the Services.

(c) The maximum obligation on the part of the County to pay the Contractor under this Agreement shall never exceed the total appropriation of the Innovations Allocation during the fiscal year of the County within which the Service Period occurs that is not otherwise encumbered under agreements heretofore entered into between the County and third parties.

(d) In the event that sufficient unencumbered appropriated funds within the Innovation Allocation are not available; the County shall promptly notify the Administrative Judge, whereupon this Agreement shall be deemed terminated without penalty or expense to the County or to the Court.

6. Term of Agreement; Termination.

(a) The effective date of this Agreement is the date first above-written, and this Agreement shall terminate on September 30, 2017.

(b) The Administrative Judge of the County may terminate this Agreement without cause by providing written notice to the Contractor thirty (30) days prior to termination by certified U.S. mail, which notice shall be deemed effective upon being deposited in the mail. The County shall also receive a copy of such notice from the Administrative Judge. Upon termination, the County is only obligated to pay for Services already performed by the Contractor at the time of termination, but not yet paid by the County.

(c) If, in the opinion of the Administrative Judge, the Contractor, for any reason, has failed to fulfill the Contractor's obligations under this Agreement in a timely manner, or if the Contractor violates any provision of this Agreement, or if, in the sole discretion of the Administrative Judge, the Contractor's work product is not acceptable, or if the Contractor's Services are not required due to cancellation or rescheduling of the Family Court or Traffic Court program, the Administrative Judge for the County may terminate this Agreement effective

immediately upon written notice to the Contractor served by certified U.S. mail with regular notice to the County, which notice shall be deemed effective upon being deposited in the mail, and the County shall have no obligation to pay the Contractor for any Services not performed prior to that date.

7. Indemnification. The Contractor shall be liable, agrees to be liable for, and shall indemnify, defend and hold the County, the Court, the Florida Supreme Court, the Florida State Courts System, and each of their principals, officers and employees harmless from all claims, suits, judgments and damages including court costs and attorney's fees arising out of intentional acts, negligence or omissions by the Contractor in the course of the operations of and performance pursuant to this Agreement.

8. Miscellaneous Provisions:

(a) Governing Law and Venue. This Agreement shall be governed, construed and enforced under and pursuant to the laws and rules of the State of Florida, and the United States of America. Unless the Parties otherwise agree, any action to interpret and/or enforce this Agreement shall be brought and maintained in the Fourth Judicial Circuit, in and for Nassau County, Florida.

(b) Severability. The terms and conditions of this Agreement shall be deemed to be severable. Consequently, if any clause, term or condition hereof shall be held to be illegal or void, such determination shall not affect the validity or legality of the remaining terms and conditions, and, notwithstanding any such determination, this Agreement shall continue in full force and effect unless the particular clause, term, or condition held to be illegal or void renders the balance of the Agreement impossible to perform. No waiver by either Party of any term or condition of this Agreement will be deemed or construed as a waiver of any other term or condition, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different paragraph, subparagraph, clause, phrase, or other provisions of this Agreement.

(c) Construction. This Agreement sets forth the entire Agreement between the Parties with respect to the subject matter hereof, and no purported amendment or modification of this Agreement shall be binding upon either Party unless the same has been reduced to writing and signed by both Parties. The Parties acknowledge that they have had meaningful input into the terms and conditions contained in this Agreement. Therefore, any doubtful or ambiguous provisions contained herein shall not be construed against the Party who prepared this Agreement. The general maxim of interpretation of contracts (that a contract shall be construed against the drafter) shall not apply to the interpretation of this Agreement.

(d) Independent Contractor. This Agreement is for personal services only. The Parties declare and specifically intend that the Contractor is an independent contractor and not an agent or employee of the County, the Court, the Florida Supreme Court or the Florida State Courts System, and is not entitled to receive any benefits available to the employees thereof, or to any coverage under the workers compensation or unemployment insurance thereof.

(e) Binding Effect. This Agreement shall be binding upon, and shall inure to the benefit of, the Contractor, the Circuit and County Court of Nassau County, and their respective successors and permitted assigns.

(9) Records Retention and Auditing:

(a) The Contractor will maintain all records made or received by the Contractor in conjunction with the Contractor's obligations under this Agreement in accordance with Rules 2.420 and 2.440, Florida Rules of Judicial Administration. Violation of this provision will be grounds for immediate termination of this Agreement in the manner provided under subparagraph (c) of paragraph 6.

(b) The Contractor will retain all records relating to the Contractor's duties under this Agreement for a period of at least five (5) years after final payment is made. The records include any supporting documentation necessary to adequately evaluate and substantiate payments made under this Agreement.

(c) The Contractor will maintain a file available for inspection by the Administrative Judge or the designee of the Administrative Judge containing documentation of all costs associated with this Agreement. The Contractor will maintain the file until otherwise notified by the Trial Court Administrator for the Court (the TCA) or for a period of four (4) years following the termination date of this Agreement, whichever occurs first. The County may unilaterally terminate this Agreement in the manner provided under subparagraph (c) of paragraph 6 if the Contractor refuses or otherwise fails to allow public access to all documents, papers, letters or other material made or received by the Contractor in conjunction with this Agreement for which public access is required by law.

(d) The Court may reproduce any written materials generated as a result of the Contractor's work without any additional compensation being paid or owed to the Contractor, and the Contractor shall not be deemed to have any intellectual property rights or interests in any of the work product produced by the Contractor in performing the Services.

(e) The County and the Administrative Judge of Nassau County shall have the right to audit all files and records created or maintained by the Contractor under this subparagraph. The Administrative Judge shall have the right, at any time or place, to inspect and review the Services performed by the Contractor, including but not limited to documents, reports and audio or video recordings or transcripts of proceedings, and to assess the quality of Services provided by the Contractor. The Administrative Judge may reject any Services that do not meet the highest standards of professionalism, in which case no payment will be due for such Services rejected under this clause and the County shall be notified.

(10) Attorney's Fees. In the event either Party shall retain an attorney to litigate on its behalf against the other Party regarding the enforcement or interpretation of this Agreement or regarding the rights, remedies, obligations or liabilities of the Parties arising under this Agreement, the Party prevailing on the majority of its claims, or which successfully defends against a majority of the other Party's claims, shall be entitled to an award of reasonable attorney's fees and costs

against the other Party, including fees and costs incurred from the date of referral of the dispute to the prevailing Party's attorney through the conclusion of litigation, or incurred in bankruptcy or on appeal. The provisions of this paragraph shall survive any termination of this Agreement.

(11) Insurance and Taxes. The Contractor shall be solely responsible for procuring appropriate insurance as well as filing income taxes, FICA, and any other withholdings from the Contractor's own compensation, and the Contractor shall comply with all federal, state, and local tax laws.

(12) Remedies. The rights and remedies set forth in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law or in equity.

(13) Acts of God. Performance of this Agreement by either Party is subject to acts of God, disaster, strikes, civil disorders, curtailment of transportation facilities, or other emergencies making it impossible or illegal to provide Services under this Agreement.

(14) Non-assignability; Subcontracting. All Services shall be performed exclusively by the Contractor and shall not be assigned to another individual without prior written permission of the Administrative Judge. The Contractor may not subcontract any Services to be provided pursuant to this Agreement. Neither this Agreement nor any of the Contractor's rights or obligations may be assigned by the Contractor unless agreed to by the Parties in writing.

(15) Conflict of Interest. Throughout the Service Period, the Contractor must not accept nor perform any other employment, assignments of contracts nor obligations that would conflict with the Contractor's duties and obligations provided under this Agreement.

(16) Public Use of the Name of the Fourth Judicial Circuit:

(a) The Contractor shall not refer to the Court or the Fourth Judicial Circuit or any of its judges or courts, in advertising, news releases, brochures, catalogs, television and radio advertising, letters of reference, websites, or any other media use generally, by the Contractor in its commercial marketing initiatives, in such a way that it represents or implies that the Court prefers or endorses the products or services offered by the Contractor. This provision will not be construed as limiting the Contractor's ability to refer to the Court as one of its customers through County.

(17) The Contractor shall not make or permit to be made any public release of information pertaining to this Agreement without prior written approval of the Administrative Judge.

(18) Integration. This Agreement constitutes the entire agreement between the Parties and supersedes all prior written or oral understandings between the Parties. This Agreement may only be amended, supplemented, or modified by a written instrument signed by each of the Parties.

(19) Non-exclusivity. This Agreement is a non-exclusive contract and does not create an exclusive relationship between the County and the Contractor. The Contractor shall be free to provide services that are not in conflict with the Services to be provided under the Agreement, and the County shall be free to obtain similar professional services from other contractors.

(20) Compliance with State and Federal Laws. The Contractor shall provide Services in compliance with the requirements of the ordinances of the County, and federal and state laws, included but not limited to, the Americans With Disabilities Act of 1990 and Title II of the 1964 Civil Rights Act. The Contractor by entering into this Agreement represents that the Contractor has adopted and will maintain a policy on nondiscrimination throughout the term of this Agreement. On written request by the Administrative Judge, the Contractor shall permit reasonable access to its records of employment, employment advertisement, application forms, and other pertinent data and records by the representatives of the Court for the purpose of investigating compliance with the nondiscrimination provisions of this Agreement. To the extent applicable, the Contractor must comply with Chapter 119, Florida Statutes (Public Records); and Rule 2.430, Rules of Judicial Administration. Violation of any part of this subparagraph by Contractor will be grounds for termination of this Agreement by the Administrative Judge in the manner provided under subparagraph (c) of paragraph 6.

(21) Waiver of Breach. No waiver by the County of any breach of any provision of this Agreement by the Contractor shall constitute a waiver of any other breach of either the same provision or of any other provision by the Contractor. The failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof or any other provisions.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed on behalf of each as of the date and year first above-written.
