Subject: EV Charging Station Deployment Phase II
Attachments: TPO EV Charging Station Deployment Phase II.pdf; Phase II EV Charging Station Application.pdf

Importance: High

Good Afternoon,

Per our February 1 meeting, attached are the EV Charging Station Deployment Executive Summary and application. Hopefully this information helps with identifying site locations. We are also scheduling a 1 p.m. conference call March 3 to discuss any concerns you may have regarding the application and the process. Conference call details will be sent out later. Applications are due March 17.

Thank you.
Wanda
