CHANGE REQUEST FOR GRANT
401.113(2) (a), Florida Statutes

Organization Name: Nassau County Board of County Commissioners	Grant ID Code: C5045
--	----------------------

BUDGET LINE ITEMS	CHANGE FROM	CHANGE TO
Carry forward to C5045 unspent Interest from grant ID Code C4045	\$0.00	\$8.33
Beginning budget of C5045	\$9,937.00	\$9,937.00
TOTAL BUDGET =	\$9,937.00	\$9,945.33

Justification For Change: This change request when approved provides state authorization to transfer the unencumbered funds of \$8.33 in interest from the county's previous and now ended state EMS grant, ID Code C4045, to the current active county grant ID Code C5045. The state EMS county grant guidelines, which Florida Administrative Code 64J-1.015 incorporates by reference, authorize this retention by the county and transfer of funds. The applicable paragraph follows.

"Any unencumbered EMS county grant program funds as of the ending date of the grant, including interest, remaining in the assigned grantee account at the end of a grant period shall be reported to the department. The grantee will retain these funds in the EMS County Grant account and include them in a budget revision request after receipt of approval of their next county grant application."

After approval by the state, the transferred funds will have state spending authority under state EMS county grant ID Code C5045. The county, which already has the funds in its accounts, should then make the transferred funds available for expenditure for current line items in the approved budget of C5045. However, use of these and any funds for new budget line items or significant changes in allocations among C5045 budget items must be requested by the county and approved by the state in subsequent change requests.
