Brady Rigdon, Fire Chief
Nassau County Fire Rescue
96160 Nassau Place
Yulee, Florida 32097
904-530-6600

Chief Rigdon:

MT Medical Florida, doing business as MedTrust, requests a Certificate of Public Convenience and Need to operate as a medical transportation provider in Nassau County, Florida. We primarily provide inter-facility medical transportation services for Hospitals, Emergency Departments, Long-Term Acute Care Hospitals, Rehabilitation Hospitals and other specialty care facilities. We provide Basic Life Support, Advanced Life Support and Specialty Care Transport services.

Issuing a Certificate of Public Convenience and Need to MedTrust would enhance existing services for residents and visitors to Nassau County. We desire to operate in the entire county, as we do not yet know where patients may originate in Nassau County. Adding MedTrust as a provider will provide additional high-quality medical transportation options that will also reduce wait time and improve patient outcomes.

MedTrust was issued a Certificate of Public Convenience and Need in Duval County, Florida and currently operates 12 ambulances in Jacksonville, Florida. MedTrust began operations in Florida on December 10th, 2018. MedTrust was established in 2012 with the vision to improve patient outcomes through excellence in mobile healthcare.

MedTrust will respond from our existing location in Jacksonville, Florida until requests for service increase. If the number of requests for service support stationing an ambulance in Nassau County, we will identify and secure a base of operations inside the county. MedTrust uses System Status Management & posting locations to place ambulances close to the anticipated need of our patients.

We would be happy to meet with you, or to attend the Board of County Commissioners meeting to address in person any questions, comments or concerns.

If you have any questions, or require any other documentation, please let me know. I have included a copy of our Florida Advanced Life Support License.

Thank you for your time,

Scott M. Arthur,
Director of Operations
MedTrust
