- Technical Services

Good afternoon Sabrina,

I'm reaching out regarding the ADA Advisory Committee and inquiring how our office (representing Clerk Crawford) could possibly get appointed to the committee. He has designated me to represent the office and relay information on his behalf.

I'd love for our office to get involved more as would Mr. Crawford. Please feel free to give me a call whenever is most convenient for you so hopefully we can get on board with the Committee.

Sincerely,

Brittany A. Bassler

Public Information Specialist
