Subject: HMSHS Homecoming Parade

Good afternoon! I am currently working to coordinate the Homecoming Parade for Hilliard Middle Senior High School. Our parade will take place Friday, September 27, 2019 at 2:45pm. I have been instructed by the Town of Hilliard to email you and ask permission to close CR 108 from Ohio Street to Oxford Street for the duration of the parade. I must provide them with permission granted in writing. As I understand it, an email stating that we have permission will be sufficient. If you have any questions for me, please feel free to email me or call me at 904-237-7034. Thank you for your cooperation. I look forward to hearing from you soon.
