Flora Parke 6A & 7A - Project Summary

Date: August 29, 2019

From: Robert T. Companion, Interim County Engineer 

Flora Parke Phase 6A construction was completed, inspected, and approved on September 25, 2014. Phase 6A has been covered by a maintenance bond since construction approval in 2014.

Flora Parke Phase 7A construction was completed, inspected, and approved on February 8, 2016. Phase 7A has been covered by a maintenance bond since construction approval in 2016.

In August of 2019 a final acceptance inspection was conducted for both phase 6A and phase 7A. No findings or recommendations for repairs resulted from the final acceptance inspection. With the maintenance period fulfilled and all other requirements of the Roadway and Drainage Standards, Ordinance 99-17 satisfied it is the recommendation of the Engineering Services department that the roadways in Flora Parke 6A and Flora Park 7A be accepted for maintenance by Nassau County.
