**Re: Information Items Only**

Thank you for your support of the Library system, and most recently for your support of the YUL Branch Library. I am working on the requisition for the new furniture.

I believe we will need to close the YUL Branch for two weeks when the furniture arrives for installation; end of January or early February. And I would like to have a grand opening; tentatively planning for March. Both the Secretary of State and State Librarian have expressed interest in attending depending on their schedules.

More exciting news! The Supervisor of Elections has offered a new partnership with the Library. The SOE office has the historic voter registration books for the county. SOE has purchased the overhead scanner needed to do the work. Both AIGS and DAR volunteers will scan the books at the FB Library. The information will become digital so it can viewed anywhere, and the original books can be preserved. Thank you SOE for this amazing opportunity!
