Dear Mr. Companion:

Please execute (2) copies of each of the Local Agency Program Agreements for the subject projects. The Agreement details the work that Nassau County will undertake.

Please do not date the Agreement, as other approvals must be secured prior to establishing the execution date. In addition to executing the attached Agreement, a resolution must be adopted, and a certified copy attached to each copy of the Agreement.

STV, Inc. has been assigned to assist your agency with the design, development of the bid package, and bringing a contractor onboard. Your agency is responsible for managing the assigned consultant. Funding is allocated in the LAP Agreement to support your oversight and project management.

Your assistance in securing execution as soon as possible is appreciated. Should you have questions or need additional information, I can be reached at 1-800-749-2967, extension 7363.

Sincerely,
