Re: Information Items Only

FSCJ has removed the furniture and equipment from the Math Lab. They are repairing the walls and painting. They have begun demolition on the storage closet.

I have placed the order for furniture at the YUL Branch Library. When I hear back from the companies with an approximate ship date I can set a more accurate schedule for relocating the library.

The YUL FOL received their IRS Determination Letter. They are officially a 501(c) (3) and will begin fund raising.

A survey has been posted on the Library website asking residents what hours they would like to have at the YUL Branch Library.

The FB FOL will give the FB Library \$4,000 to continue our MakerSpace project. Residents can look forward to VR equipment and software this summer.

The Supervisor of Elections has determined it is best to scan the historic registration books at the SOE for security reasons. When the project is complete the scanner will be relocated to the FB Branch Library for residents to use. We will also have a file of the scanned records for residents to view. This a wonderful project!

Nassau County Public Libraries have programs at our branches all year long. I have attached flyers for our latest events. Complete list of events can be found on the Library website at nassaureads.com. See current flyers attached.
