Road Dept Monthly CIP Status Report

For the Month of March 2020

Multiple Districts

Drainage Projects (FY 2020)

Budget: \$653,000

Estimated Completion Date: September 2020

Staff has worked with Engineering Services to develop specifications for **Citrona Drive Storm Drain Repair, Blackmon Road Cross Drain Replacement, Eastwood Drive Outfall Project and Owens Farm Road Cross Drain Replacement. Blackmon Road Cross Drain Replacement** (NC20-002) was placed out to bid on Feb 12, 2020 with a bid opening on March 4th. The Agenda Request is being prepared for the May 11th meeting to Award the Contract to Jax Utilities Management in the amount of \$123,301.00 The **Citrona Drive Storm Drain Repair Project** (NC20-008) was placed out for bid on March 11, 2020, with the bid opening scheduled for April 7th. The **Owens Farm Road Cross Drain Replacement Project** was placed out to bid on March 18th, with the bid opening scheduled for April 22nd. The **Eastwood Drive Outfall Project** (NC20-006) was placed out for bid on March 11, 2020, with the bid opening scheduled for April 7th. Staff recommends construction take place during the Summer months for the Citrona Drive and Blackmon Road Cross Drain Projects as not to affect any school travel with road closures needed.

Road Dept Monthly Construction Projects Status Report

For the Month of March 2020

Multiple Districts

Budget: \$ 150,000

Estimated Completion Date: June 2020

Status: This program is designed to refurbish worn striping on County paved roads in order to provide proper visibility of pavement markings to our motoring public. Staff received the estimates and prepared the requisition for a Purchase Order. The pre-con was held on February 26th, and since then work has been completed. Staff is currently verifying quantities for processing the invoice.

Multiple Districts

Sidewalks

Budget: \$ 150,000

Estimated Completion Date: August 2020

Status: This program is designed to repair damages to Nassau County sidewalks. Staff has identified all damaged sidewalks and are finalizing the specifications in order to be bid out. Staff anticipates requesting to go out to bid in April for the repairs. The Department recently purchased a concrete grinding machine and has begun grinding sidewalk sections to eliminate trip hazards and restore them to FDOT standards. Approximately 60 areas have been repaired. Staff anticipates work being completed by August 2020.
