

BOCC Agenda Item

Agenda Request For: May 11, 2020 or May 20, 2020

Department: SAISS-MSBU

Background: Olsen Associates, Inc. Coastal Engineering Contract CM1852-A1 requires individual Task Orders. This task order is for a Yr-9 Physical Monitoring of the Engineered Beach Nourishment Project.

Financial/Economic Impact to Future Years Budgeting Process or Effect on Citizens: Funds for this Task are included in FY 2020 budget and come entirely from the MSBU Maintenance Assessment. There will have no impact on the general citizenry of Nassau County since all funds are collected from the property owners within the SAISS-MSBU. No Ad Valorem Tax revenues are used for the SAISS Project. However, this Task is eligible for State reimbursement estimated at 43.03 % of the eligible task or approximately \$43,374.24 that when funded will reduce future assessments of the MSBU.

Action requested and recommendation: SAISSA Trustees meeting April 15, 2020, have unanimously recommended and requested that the Commission to approve **Task Order 38.**

Is this action consistent with the Nassau County Comprehensive Land Use Plan?
NA

Funding Source: 43600539 531383
