Estimated Completion Date: September 2020

Staff has worked with Engineering Services to develop specifications for **Citrona Drive Storm Drain Repair, Blackmon Road Cross Drain Replacement, Eastwood Drive Outfall Project and Owens Farm Road Cross Drain Replacement. Blackmon Road Cross Drain Replacement** (NC20-002) was placed out to bid on Feb 12, 2020 with a bid opening on March 4th. The BOCC Awarded the Contract to Jax Utilities Management in the amount of \$123,301.00 at the May 11th meeting. A pre-con has been set up for Monday, June 8th at which time a Notice to Proceed will be issued and a project schedule will be developed. The **Citrona Drive Storm Drain Repair Project** (NC20-008) and the **Eastwood Drive Outfall Project** (NC20-006) was placed out for bid on March 11, 2020, with the bid opening scheduled for April 7th. The Recommendation of Award of Contract for the **Eastwood Drive Outfall Project** (NC20-006) to Pars Construction Services, LLC. in the amount of \$ 169,066 is scheduled for the Monday, June 8th BOCC meeting. The Recommendation of Award of Contract for the **Citrona Drive Storm Drain Repair Project** (NC20-008) to DB Civil Construction, LLC. in the amount of \$ 104,870 is scheduled for the Monday, June 8th BOCC meeting. The **Owens Farm Road Cross Drain Replacement Project** was placed out to bid on March 18th, with the bid opening scheduled for April 22nd. The Recommendation of Award of Contract for the **Owens Farm Road Cross Drain Replacement Project** (NC20-010) to Jax Utilities Management in the amount of \$ 89,429.54 is scheduled for the Monday, July 13th BOCC meeting. Staff has recommended construction take place during the Summer months for the Citrona Drive and Blackmon Road Cross Drain Projects as not to affect any school travel with road closures needed.

Road Dept Monthly Construction Projects Status Report

For the Month of May 2020

Multiple Districts

Double Chip Seal Upgrade Program

Budget: \$340,000

Estimated Completion Date: November 2020

Status: Engineering Services provided the final specifications for the Board at the January 27th Chip Seal Workshop. Staff was given the direction to move forward with the program, following the specifications provided. Staff has prepared the list of roads that the County Engineer provided to the Board. The work has started and is anticipated to be completed in November 2020.

Multiple Districts

Roadway Striping Upgrades

Budget: \$ 150,000

Estimated Completion Date: Completed

Status: This program is designed to refurbish worn striping on County paved roads in order to provide proper visibility of pavement markings to our motoring public. Staff received the estimates and prepared the requisition for a Purchase Order. The pre-con was held on February 26th, and since then work has been completed. Staff has verified quantities and processed the invoice.

Multiple Districts

Sidewalks

Budget: \$ 150,000

Estimated Completion Date: August 2020

Status: This program is designed to repair damages to Nassau County sidewalks. Staff has identified all damaged sidewalks and are finalizing the specifications in order to be bid out. Staff anticipates requesting to go out to bid in April for the repairs. The Department recently purchased a concrete grinding machine and has begun grinding sidewalk sections to eliminate trip hazards and restore them to FDOT standards. Approximately 60 areas have been repaired. The project has been placed out to bid (NC20-016) with the bid opening scheduled for June 18, 2020. Staff anticipates presenting the Recommendation of Award on the July 20th BOCC meeting.

Road Dept Monthly Construction Projects Status Report

For the Month of May 2020

Multiple Districts

Overlays

Budget: \$1.2 million

Estimated Completion Date: August 2020

Status: Staff has finalized the estimate list and received the Purchase Order for the contractor. The Work Authorization approval for CDM-Smith in the amount of \$ 124,864.41 is scheduled for the Monday, June 8th BOCC meeting. A pre-construction meeting is scheduled for June 10th and a tentative start date from the contractor is the week of June 22nd. In an effort to save money, staff will be performing some of the prep-work beginning the week of June 8th.
