Subject: RE: Stop Work Order Status

Rich,
Can you please provide a copy of the stop work order that was issued?

I reached out to Gillette and Associates on the status of the plans but Asa was out of the office till this afternoon and Mark was not aware of them. I will try again later and see if I can find out the status.

Subject: Stop Work Order Status

Caleb,

Do you have an update on the Sandy Ford pond? Robert B (Code Enforcement) needs to know if they have an approved permit so he can determine if he needs to proceed to the next step.

Plans were submitted by G&A and we sent them back with comments. I have not seen any revised plans to my knowledge. I will send them an email asking for an update.

Are these the plans for the pond that larger than what they indicated on the site plan? If so, I think these were given to Caleb to review.

Caleb,

Do you have an update for Becky?

Has anything been submitted for the G&H Land borrow pit on Sandy Ford Road? As far as I know the plans should be coming from Gillette and Associates.

Subject: Sandy Ford Road

Good Morning,

Can I get an update on the 2 borrow pits on Sandy Ford Road, for my file. I have paused my complaint because of G&H working toward applying for the correct permit, or do I need to take them before the code board?

Thank you,

Robert Bostick
