FTMS # 5		
Key	Project Name	Description
1	14th St Improvements	Safety Improvements (median, restriping), shared-use path construction
2	Amelia Island Pkwy / Buccaneer Path Roundabout	Intersection Safety Improvements
3	Amelia Concourse Ext.	Extend the Amelia Concourse from CR 107 to Frank Ward Road
4	CR 107 (Old Nassauville Rd)	Four lane from SR 200 to Amelia Concourse and add sidewalks.
5	Hendricks Rd Ext. to CR 107 (Old Nassauville Rd)	New 2 lane road with sidewalk and shared-use path from Hendricks Road to CR 107
6	New Road from Hendricks to Amelia Concourse	New 2 lane road with sidewalk and shared-use path
7A	Pages Dairy Rd Ext. Ph. 1	New 2 lane road with sidewalk and shared-use path from Chester to Blackrock Road
7B	Pages Dairy Rd Ext. Ph. 2	New 2 lane road with sidewalk and shared-use path from Blackrock to O'Neil Scott Road
8	Pages Dairy/Chester Rd Intersection	Intersection Safety Improvements and urbanization of Chester from Pages Dairy to David Hallman
9	Christian Way Ext.	New 2 lane road with sidewalk and shared-use path from Christian Way to Amelia Concourse
10	William Burgess Blvd Ext. Ph. 2	New 2 lane road with sidewalk and shared-use path from Miner Road to the Amelia Concourse
11	William Burgess Blvd Ext. Ph. 1	New 2 lane road with sidewalk and shared-use path from US17 to Miner Road
12	Felmor Rd Improvements	Addition of sidewalks, utilities, paved shoulders, and a queuing lane for student drop-off / pick-up
13	Pages Dairy Rd Improvements	Widen to four lanes, add pedestrian improvements and shared-use path
14	Chester Rd Improvements	Widen to four lanes, add pedestrian improvements and shared-use path
15	CR-108 from Chester Rd to US-17	Extend CR 108 from US-17 to Chester Road
16	US-17 Improvements (State Project)	Four lane US-17 from SR-200 to Duval County
17A	William Burgess Blvd Redevelopment (4-Lane)	Redevelop William Burgess to 2 lane each direction, and center turn lane / median
17B	William Burgess Blvd Redevelopment (3-Lane)	Redevelop William Burgess to 1 lane each direction, and center turn lane / median
18	William Burgess Blvd/Harts Rd Roundabout	Intersection Improvements to construct a roundabout
19	Cardinal Rd Improvements	Improve to 2 lane road with bike lanes, sidewalks, and signalized intersection at SR 200.
20	Clyde Higginbotham Rd Improvements	Upgrade Harvester to paved roadway with bike lanes and 1 shared use path or 2 shared-use paths, and sidewalks.
21	Harvester St Improvements	Upgrade Harvester to paved roadway with bike lanes and 1 shared use path or 2 shared-use paths, and sidewalks.
22	New William Burgess Blvd Rd	New two lane road with bike lanes, a sidewalk, and a share-use path, or 2 shared use paths.
23	Mentoria Rd Improvements (New 4-Lane)	Improve existing 2 lane road and extend to new North-South roadway in WBD, to include shoulders and shared-use path
24	New Bridge Across I-95	New 2 lane bridge with 10' shoulders for emergencies, shared-use path, and sidewalks to connect Semper Fi and WBD
25	Semper Fi Improvements	Reconstruct Semper Fi from new bridge at I-95 and realign to Wildwood Road, as shoulders, sidewalk, and shared-use path.
26	New 2-Lane Road in William Burgess District	New two lane road with paved shoulders and a share-use path from I-95 Bridge to William Burgess Boulevard
27	Harper Chapel Rd Improvements and Ext.	Upgrade existing portion of the road and extend the road,with a shared-use path and sidewalk, to the Judicial Complex.
28	Mentoria Rd Improvements (2-Lane)	Improve existing 2-lane road and construct a new road, to include shoulders and a shared-use path.
29	Extend Wildwood Rd to Edwards Rd	New two lane road with paved shoulders and a share-use path from Edwards Extension to Wildwood Road
30	New Road From Griffin Rd to I-95 Interchange	New 2 lane road with shared-use path and 100 foot landscape buffers
31	Edwards Rd Ext.	New 2 lane road with shared-use path and 100 foot landscape buffers from SR-200 to New Road from I-95 to Grffin
32	Edwards Rd Improvements	Redevelopment of road to include sidewalks/shared-use path and center turn lane
33	Griffin Rd Improvements	Widen Lanes, add paved shoulders, shared-use path, and sidewalk
34	Musselwhite Rd Improvements	Widen Lanes, add paved shoulders, shared-use path, and sidewalk
35	Sauls Rd Improvements	Pave the existing dirt road
36	Lem Turner Rd Improvements (State Project)	Four lane from US-1 to Duval County
37	Ratliff Rd Improvements	Widen Lanes, add paved shoulders, shared-use path, and sidewalk - exempt railroad areas
38	Thomas Creek Rd Improvements	Widen lanes, add paved shoulder and sidewalks
39	Ford Rd Improvements	Add paved shoulders and sidewalks
40	CR 119 (Otis Rd)	Widen lanes, add paved shoulders, exempt railroad areas
41	Crawford Rd/ CR 121 Intersection Improvements	Intersection improvements, new mast arm, turn lanes
42	Rowe Cutoff Rd Improvements	Pave the dirt road and add shoulders.
43	Pratt Siding Rd Improvements	Pave the dirt road, if possible add shoulders and share-use path,
44	Andrews Rd Improvements	Widen existing lanes and add shoulders and pedestrian improvements
45	Sundberg Rd Improvements	Paving dirt road
46	Kings Ferry Rd Improvements	Shoulder addition to Kings Ferry Road (excluding the bridge)
47	CR 108 Improvements	Widen existing road with paved shoulders, shared-use path, sidewalk, and improve I-95 bridge/overpass
