Amy,

I have attached a corrected copy of the Avenida Amelia mitigation agreement. The attorney said it would be ok to change the page out (page 2) if ok with the owner and developer. See email chain below for approval. You can call me if you have any questions.

Thank you

Connie

Mr. Gillette,

I received an email from the County Managers office this morning, and they have found an error on page 2 of the agreement. In the second Whereas clause on page 2, it states "...located in the Yulee North Concurrency Service Area...", which should read Fernandina. I have confirmed this and the correction has been made. I have attached the corrected copy for your review, please let me know if this acceptable with you. With your approval we can replace page 2 and submit the new page to the County Managers office so they can move forward. Thank you
