Organization - Nassau County Board of County Commissioners

Follow the instructions listed below to add/remove/modify organization members.

[Organization Information](#) | [Organization Members](#) | [Organization Documents](#)

Organization Members

Administrators with the authority to add members to your organization can follow these steps:

- To add a member to your organization, select the **Add Members** link below.
- If a member has already added his/her information in the system, you can search for the member.
- If you need to add a member's information into the system, select **New Member**.
- For more detailed instructions, select the **Show Help** button above.
