Shelley,

Mr. Mullin has reviewed the attached documents and has requested the following changes:

1. He would like a new "Whereas" clause inserted just before "For and In Consideration..." to read as follows:  
"WHEREAS the utilization of the easement area serves a public purpose."
2. The exhibits need to be properly labeled as referenced in the Agreement.

Mr. Mullin advised that it is not necessary to assign a contract number for this particular Agreement and therefore, you do not need to complete the Contract Approval Form.

Please let me know if you have any questions.

I need to prepare an agenda request for the approval of this drainage easement. Will it need a CM # and a Contract Approval form?
