The Project Sponsor shall ensure that working papers are made

available to the Department, or its designee, Chief Financial Officer, or Auditor General upon request for a period of five years from the date of the Final Amendment, unless extended in writing by the Department.

(5) Monitoring.

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F, as revised (see audit requirements above), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by 2 CFR Part 200, Subpart F., and/or other procedures. By entering into this Agreement, the Project Sponsor agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Project Sponsor is appropriate, the Project Sponsor agrees to comply with any additional instructions provided by the Department to the Project Sponsor regarding such audit. The Project Sponsor understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. The Project Sponsor will comply with this duty and ensure that any subcontracts issued under this Agreement will impose this requirement, in writing, on its subcontractors.

ARTICLE III - LOAN REPAYMENT ACCOUNT

3.01. LOAN REPAYMENT RESERVE ACCOUNT.

The Project Sponsor shall establish a Loan Repayment Reserve Account with a Depository. The Project Sponsor shall deposit into the account the reserve amount identified in Section 10.07 of this Agreement by the date set forth therein. Loan Repayment Reserve account funds shall be used to make the Loan Payment as identified in Section 10.05. A letter restricting withdrawals from the account must be provided prior to any funds being disbursed.

3.02. RESTORATION OF LOAN REPAYMENT RESERVE ACCOUNT.

A default causing the Project Sponsor to use the Loan Repayment Reserve Account or the use of the account to prevent default shall result in the Project Sponsor being responsible for making special deposits to restore the account. Special restoration deposits shall be made from the first moneys legally available to the Project Sponsor for such purpose.

3.03. INVESTMENT OF LOAN REPAYMENT RESERVE MONEYS.

Moneys on deposit in the Loan Repayment Reserve Account shall be invested pursuant to the laws of the State of Florida. Such moneys may be pooled for investment purposes. The maturity or redemption date of investments shall be not later than the date set for the final Loan Payment provided, however, that moneys must be available for withdrawal, if necessary, pursuant to Section 3.05 of this Agreement. All investment income and earnings shall be credited to the Loan Repayment Reserve Account.

3.04. LOAN REPAYMENT RESERVE ACCOUNT WITHDRAWALS.

The withdrawal of moneys from the Loan Repayment Reserve Account shall be for the sole purpose of making the Loan Payment.

3.05. ASSETS HELD IN TRUST.

The assets in all accounts created under this Loan Agreement shall be held in trust for the purposes provided herein and used only for the purposes and in the manner prescribed in this Agreement; and, pending such use, said assets shall be subject to a lien and charge in favor of the Department.

ARTICLE IV - PROJECT INFORMATION

4.01. PROJECT CHANGES.

After the Department's environmental review has been completed, the Project Sponsor shall promptly notify the Department, in writing, of any Project change that would require a modification to the environmental information document.

4.02. CLOSE-OUT.

The Department shall conduct a final inspection of the Design Activities records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan or Principal Forgiveness requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. After the Department establishes the final costs to be financed by the Loan, the itemized costs will be adjusted by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved costs. As a result of such adjustment, the Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

4.03. DISBURSEMENTS.

This Agreement allows for funds to be advanced to the Project Sponsor for allowable invoiced costs, under the provisions of 216.181, Florida Statutes. Disbursements shall be made only by the State Chief Financial Officer and only when the requests for such disbursements are accompanied by a Department certification that such withdrawals are proper expenditures. Disbursements shall be made directly to the Project Sponsor for reimbursement of the incurred design costs and related services. Disbursements for materials, labor, or services shall be made upon receipt of the following:

(1) A completed disbursement request form signed by the Authorized Representative. Such requests must be accompanied by sufficiently itemized summaries of the materials, labor, or services to identify the nature of the work performed; the cost or charges for such work; and the person providing the service or performing the work. Proof of payment will be required with the following disbursement request.

(2) A certification signed by the Authorized Representative as to the current estimated costs of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased, performed, or received.

(3) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

Requests by the Project Sponsor for disbursements of the design funds shall be made using the Department's disbursement request form. The Department reserves the right to retain 25% of the funds until the information necessary for the Department to prepare the Environmental Information Document as described in Rule 62-552.680, Florida Administrative Code, has been provided.

4.04. ADVANCE PAYMENT.

The Department may provide an advance to the Project Sponsor, in accordance with Section 216.181(16)(b), Florida Statutes. Such advance will require written request from the Project Sponsor, the Advance Payment Justification Form and approval from the State's Chief Financial Officer. The Project Sponsor must temporarily invest the advanced funds, and return any interest income to the Department, within thirty (30) days of each calendar quarter. Interest earned must be returned to the Department within the timeframe identified above or invoices must be received within the same timeframe that shows the offset of the interest earned.

Unused funds, and interest accrued on any unused portion of advanced funds that have not been remitted to the Department, shall be returned to the Department within sixty (60) days of Agreement completion.

The parties hereto acknowledge that the State's Chief Financial Officer may identify additional requirements, which must be met in order for advance payment to be authorized. If the State's Chief Financial Officer imposes additional requirements, the Project Sponsor shall be notified, in writing, by the Department regarding the additional requirements. Prior to releasing any advanced funds, the Project Sponsor shall be required to provide a written acknowledgement to the Department of the Authority's acceptance of the terms imposed by the State's Chief Financial Officer for release of the funds.

If advance payment is authorized, the Project Sponsor shall be responsible for submitting the information requested in the Interest Earned Memorandum to the Department quarterly.

ARTICLE V - RATES AND USE OF THE UTILITY SYSTEM

5.01. RESERVED.

5.02. NO FREE SERVICE.

The Project Sponsor shall not permit connections to, or furnish any services afforded by, the Utility System without making a charge therefore based on the Project Sponsor's uniform schedule of rates, fees, and charges.

5.03. MANDATORY CONNECTIONS.

The Project Sponsor shall adopt, as necessary, and enforce requirements, consistent with applicable laws, for the owner, tenant or occupant of each building located on a lot or parcel of land which is served, or may reasonably be served, by the Sewer System to connect such building to the Sewer System.

5.04. NO COMPETING SERVICE.

The Project Sponsor shall not allow any person to provide any services which would compete with the Utility System so as to adversely affect Gross Revenues.

5.05. MAINTENANCE OF THE UTILITY SYSTEM.

The Project Sponsor shall operate and maintain the Utility System in a proper, sound and economical manner and shall make all necessary repairs, renewals and replacements.

5.06. ADDITIONS AND MODIFICATIONS.

The Project Sponsor may make any additions, modifications or improvements to the Utility System which it deems desirable and which do not materially reduce the operational integrity of any part of the Utility System. All such renewals, replacements, additions, modifications and improvements shall become part of the Utility System.

5.07. COLLECTION OF REVENUES.

The Project Sponsor shall use its best efforts to collect all rates, fees and other charges due to it. The Project Sponsor shall establish liens on premises served by the Utility System for the amount of all delinquent rates, fees and other charges where such action is permitted by law. The Project Sponsor shall, to the full extent permitted by law, cause to discontinue the services of the Utility System and use its best efforts to shut off water service furnished to persons who are delinquent beyond customary grace periods in the payment of Utility System rates, fees and other charges.

ARTICLE VI - DEFAULTS AND REMEDIES

6.01. EVENTS OF DEFAULT.

Upon the occurrence of any of the following events (the Events of Default) all obligations on the part of Department to make any further disbursements hereunder shall, if Department elects, terminate. The Department may, at its option, exercise any of its remedies set forth in this Agreement, but Department may make any disbursements or parts of disbursements after the happening of any Event of Default without thereby waiving the right to exercise such remedies and without becoming liable to make any further disbursement:

(1) Failure to fund the Loan Repayment Reserve Account or to make the Loan Payment when it is due and such failure shall continue for a period of 15 days.

(2) Except as provided in Subsection 6.01(1) failure to comply with the provisions of this Agreement, failure in the performance or observance of any of the covenants or actions required by this Agreement or the Suspension of this Agreement by the Department pursuant to Section 8.11 below, and such failure shall continue for a period of 30 days after written notice thereof to the Project Sponsor by the Department.

(3) Any warranty, representation or other statement by, or on behalf of, the Project Sponsor contained in this Agreement or in any information furnished in compliance with, or in reference to, this Agreement, which is false or misleading, or if Project Sponsor shall fail to keep, observe or perform any of the terms, covenants, representations or warranties contained in this Agreement, the Note, or any other document given in connection with the Loan (provided, that with respect to non-monetary defaults, Department shall give written notice to Project Sponsor, which shall have 30 days to cure any such default), or is unable or unwilling to meet its obligations thereunder.

(4) An order or decree entered, with the acquiescence of the Project Sponsor, appointing a receiver of any part of the Utility System or Gross Revenues thereof; or if such order or decree, having been entered without the consent or acquiescence of the Project Sponsor, shall not be vacated or discharged or stayed on appeal within 60 days after the entry thereof.

(5) Any proceeding instituted, with the acquiescence of the Project Sponsor, for the purpose of effecting a composition between the Project Sponsor and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are payable from Gross Revenues of the Utility System.

(6) Any bankruptcy, insolvency or other similar proceeding instituted by, or against, the Project Sponsor under federal or state bankruptcy or insolvency law now or hereafter in effect and, if instituted against the Project Sponsor, is not dismissed within 60 days after filing.

(7) Any charge is brought alleging violations of any criminal law in the implementation of the Project or the administration of the proceeds from this Loan against one or more officials of the Project Sponsor by a State or Federal law enforcement authority, which charges are not withdrawn or dismissed within 60 days following the filing thereof.

(8) Failure of the Project Sponsor to give immediate written notice of its knowledge of a potential default or an event of default, hereunder, to the Department and such failure shall continue for a period of 30 days.

6.02. REMEDIES.

All rights, remedies, and powers conferred in this Agreement and the transaction documents are cumulative and are not exclusive of any other rights or remedies, and they shall be in addition to every other right, power, and remedy that Department may have, whether specifically granted in this Agreement or any other transaction document, or existing at law, in equity, or by statute. Any and all such rights and remedies may be exercised from time to time and as often and in such order as Department may deem expedient. Upon any of the Events of

Default and subject to the rights of others having prior liens on the Pledged Revenues, the Department may enforce its rights by, *inter alia*, any of the following remedies:

- (1) By mandamus or other proceeding at law or in equity, to fulfill this Agreement.
- (2) By action or suit in equity, require the Project Sponsor to account for all moneys received from the Department.
- (3) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Department.
- (4) By applying to a court of competent jurisdiction, cause to appoint a receiver to manage the Utility System, establish and collect fees and charges.

6.03. DELAY AND WAIVER.

No course of dealing between Department and Project Sponsor, or any failure or delay on the part of Department in exercising any rights or remedies hereunder, shall operate as a waiver of any rights or remedies of Department, and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder. No delay or omission by the Department to exercise any right or power accruing upon Events of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient. No waiver or any default under this Agreement shall extend to or affect any subsequent Events of Default, whether of the same or different provision of this Agreement or shall impair consequent rights or remedies.

ARTICLE VIII - GENERAL PROVISIONS

8.01. RESERVED.

8.02. PROJECT RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Department for inspection at any reasonable time after the Project Sponsor has received a disbursement and until five years after the Final Amendment date.

8.03. ACCESS TO PROJECT SITE.

The Project Sponsor shall provide access to offices and other sites where Design Activities or Project work (if financed by this Loan) is ongoing, or has been performed, to authorized representatives of the Department at any reasonable time. The Project Sponsor shall cause its engineers and contractors to provide copies of relevant records and statements for inspection.

8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Department may assign any part of its rights under this Agreement after notification to the Project Sponsor. The Project Sponsor shall not assign rights created by this Agreement without the written consent of the Department.

8.05. AMENDMENT OF AGREEMENT.

This Agreement may be amended, except that no amendment shall be permitted which is inconsistent with statutes, rules, regulations, executive orders, or written agreements between the Department and the U.S. Environmental Protection Agency (EPA). A Final Amendment establishing the final costs financed by this Loan and the actual Loan Service Fee shall be completed after the Department's final inspection of relevant documents and records.

8.06. ABANDONMENT, TERMINATION OR VOLUNTARY CANCELLATION.

Failure of the Project Sponsor to actively prosecute or avail itself of this Loan (including e.g. described in para 1 and 2 below) shall constitute its abrogation and abandonment of the rights hereunder, and the Department may then, upon written notification to the Project Sponsor, suspend or terminate this Agreement.

(1) Failure of the Project Sponsor to draw Loan proceeds within eighteen months after the effective date of this Agreement, or by the date set in Section 10.07 to establish the Loan Debt Service Account, whichever date occurs first.

(2) Failure of the Project Sponsor, after the initial Loan draw, to draw any funds under the Loan Agreement for twenty-four months, without approved justification or demonstrable progress on the Project.

Upon a determination of abandonment by the Department, the Loan will be suspended, and the Department will implement administrative close out procedures (in lieu of those in Section 4.02) and provide written notification of Final Unilateral Amendment to the Project Sponsor.

In the event that following the execution of this Agreement, the Project Sponsor decides not to proceed with this Loan, this Agreement can be cancelled by the Project Sponsor, without penalty, if no funds have been disbursed.

8.07. SEVERABILITY CLAUSE.

If any provision of this Agreement shall be held invalid or unenforceable, the remaining provisions shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

8.08. RESERVED.

8.09. PUBLIC RECORDS ACCESS.

(1) The Project Sponsor shall comply with Florida Public Records law under Chapter 119, F.S. Records made or received in conjunction with this Agreement are public records under Florida law, as defined in Section 119.011(12), F.S. The Project Sponsor shall keep and maintain public records required by the Department to perform the services under this Agreement.

(2) This Agreement may be unilaterally canceled by the Department for refusal by the Project Sponsor to either provide to the Department upon request, or to allow inspection and copying of all public records made or received by the Project Sponsor in conjunction with this Agreement and subject to disclosure under Chapter 119, F.S., and Section 24(a), Article I, Florida Constitution.

ARTICLE X - DETAILS OF FINANCING

10.01. PRINCIPAL AMOUNT OF LOAN.

The total amount awarded is \$231,500. Of that, the estimated amount of Principal Forgiveness is \$115,750. The estimated principal amount of the Loan to be repaid is \$115,850, which consists of \$115,750 to be disbursed to the Project Sponsor and \$100 of Capitalized Interest.

Capitalized Interest is not disbursed to the Project Sponsor but is amortized via periodic Loan repayments to the Department as if it were actually disbursed. Capitalized Interest is computed at the interest rate, or rates, set for the Loan. It accrues and is compounded annually from the time when disbursements are made until six months before the Loan Payment is due. Capitalized Interest is estimated prior to establishment of the schedule of actual disbursements.

10.02. LOAN SERVICE FEE.

The Loan Service Fee is estimated as \$4,630 for the Loan amount authorized to date. The fee represents two percent of the Loan amount excluding Capitalized Interest; that is, two percent of \$231,500. The Loan Service Fee is estimated at the time of execution of the loan agreement and shall be revised with any increase or decrease amendment. The Loan Service Fee is based on actual Project costs and will be assessed in the final Loan amendment. The Project Sponsor shall pay the Loan Service Fee from the first available repayments following the Final Amendment.

10.03. INTEREST RATE.

The rate of interest on the unpaid principal of the Loan amount specified in Section 10.01 is 0.93 percent per annum. However, if this Agreement is not executed by the Project Sponsor and returned to the Department before July 1, 2021, the interest rate may be adjusted.

10.04. LOAN TERM.

The Loan term shall be 10 years.

10.05. REPAYMENT SCHEDULE.

The Loan Payment shall be computed based upon the principal amount of the Loan less the Principal Forgiveness plus the estimated Loan Service Fee and the principle of level debt service. The Loan Payment amount may be adjusted, by amendment of this Agreement, based upon revised information. After the final disbursement of Loan proceeds, the Loan Payment shall be based upon the actual Project costs, the actual Loan Service Fee and Loan Service Fee Capitalized Interest, if any, and actual dates and amounts of disbursements. Actual Project costs shall be established after the Department's inspection of the completed Project and associated records. The Department will deduct the Loan Service Fee and any associated interest from the first available repayments following the Final Amendment.

The Loan Payment shall be in the amount of \$120,480. The interest and Grant Allocation Assessment portions of the Loan Payment shall be computed, using their respective rates, on the unpaid balance of the principal amount of the Loan, which includes Capitalized Interest. Interest (at the Financing Rate) also shall be computed on the estimated Loan Service Fee. The interest and Grant Allocation Assessment on the unpaid balance shall be computed as of the due date of the Loan Payment.

The Loan Payment shall be received by the Department on or before March 15, 2022 to avoid interest accruing on the Loan amount. Funds transfer shall be made by electronic means.

10.06. PROJECT COSTS.

The Project Sponsor and the Department acknowledge that actual Project costs have not been determined as of the effective date of this Agreement. An adjustment may be made due to a reduction in the scope of work proposed for Loan funding as a result of the facilities planning process. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. The final costs shall be established in the final amendment. Changes in costs may also occur as a result of the Project Sponsor's audit or the Department's audit.

The Project Sponsor agrees to the following estimates of the Project costs:

CATEGORY	PROJECT COSTS (\$)
Design Activities	231,500
Less Principal Forgiveness	(115,750)
SUBTOTAL (Loan Amount)	115,750
Capitalized Interest	100
