Re: DW450510 – American Beach Water and Sewer District
Well Phase-Out Project

Dear Ms. Knecht:

I am the duly appointed Counsel for the American Beach Water and Sewer District. The American Beach Water and Sewer District proposes to borrow \$231,500 from the State Revolving Fund for the design of Well Phase-Out Project. Of this total amount, eighty percent (50%), or \$115,750 is designated as forgivable, leaving \$115,750 to be repaid. An amount of \$120,480, representing Pledged Revenues and consisting of the loan principal amount and the estimated Loan Service Fee and Capitalized Interest, shall be the specific revenues pledged as security for the repayment of the Loan and shall be deposited in the Loan Repayment Reserve Account. Additional supplemental revenues for the repayment of any future payable loan balances are the anticipated net special assessment revenues collected by the American Beach Water and Sewer District. The special assessment revenues will be legally available to pledge upon adoption of the special assessment program. The American Beach Water and Sewer District has the legal authority to impose special assessments to ensure repayment of any State Revolving Fund (SRF) loan. The Pledged Funds have no prior lien obligations. The utility enterprise funds are available reserves for these utility purposes.

Sincerely,

Michael Mullin
Nassau County Attorney
