Subject: Meeting 7/20 at 6PM Application No: PUD21-001

This email is in reference to Application No: PUD21-001 Action Requested, adding a new Section 5.9.
I am in objection to adding a new section 5.9 Boat/Watercraft/Recreational Vehicle storage.
I think this will encourage home owners to buy boats/watercraft/recreational vehicles. The intent would be to store them in the storage area but would ultimately lead to storing them on the street or on their property.
This is currently a problem that the HOA has been unable to resolve.
I have attached pictures of the trailer that has camped outside my bedroom window multiple times for multiple days in a row.
It is hooked up to electricity as well.
As you can imagine it blocks the road.
I also think a storage area will not increase the value of the homes in the neighborhood and may become an eye sore.
Thank you for allowing me to be heard.
Michele Davis- Porter
