4. Variance Sought:

TO BUILD A HOME ON THIS PARCEL. 28.03

5. Variance Justification (requirements in the "Definition of Variance" on Instructions Page):

The code calls for 3 lots max. on a 30' private easement. My clients have owned their lot for over 15 years and since purchasing their lot other Po Folk Way

addresses have been created causing my clients parcel to be "more" than 3 lot limit. Additionally, some of the lots on Po Folks Way DO NOT have "an easement" in their Deed for Po Folks Way-essentially they are not allowed to use Po Folks Way but should be using Roses Bluff. Since the "other" addresses on Po Folks has caused our prop to now be "above" the 3 lots. We are asking for a variance so the lot can be built on.

6. Supporting information which is considered by the Development Review Committee:

- X _____ Detailed Site Plan
X _____ Copy of Recorded Deed
_____ Any additional data
