Robert T. Companion, PE
County Engineer

APPLICATION AND INSTRUCTIONS FOR A VARIANCE

1. The County Engineer or his/her designee may permit variations to the Nassau County Roadway and Drainage Standards, Ordinance 99-17, after the review and recommendation of the county Development Review Committee (DRC).
2. The procedure will require:
 - A. That the completed application be submitted to the Nassau County Engineering Services Department;
 - B. The Application fee of \$267 (as of 6/24/2019) be paid; and,
 - C. The application be reviewed by the DRC;
3. The Engineering Services Department will prepare a summary to be presented at the next available DRC meeting.
4. The applicant may attend the DRC meeting to present additional evidence into the record. The evidence shall address the criteria defined in Ordinance 99-17, Article 15, Section 15.1 that is applicable to the application.
5. If the request for a variance is denied by the County Engineer or approved with conditions, the owner/applicant may appeal to the Planning and Zoning Board in accordance with Ordinance 99-17, Article 15, Section 15.2.
6. If you have any questions about procedures or the criteria, please consult with the Engineering Services Department at (904) 530-6225 prior to the DRC meeting.

INSTRUCTIONS FOR APPLYING FOR A VARIANCE

It is essential that all the information provided is accurate. Incorrect information can delay or nullify the application process. Use the Engineering Services Department forms that are available for download at www.nassaucountyfl.com under Departments, Engineering Services. Please attach additional sheets as needed, using 8½" x 11" size paper, typed or printed.

Definition of Variance: A device which grants a property owner relief from certain provisions of the Roadway and Drainage Standards, upon showing that strict application of the requirements contained in this ordinance would result in real difficulties, or substantial hardship or injustice and where the owner/applicant proposes an alternative which conforms to the general intent and spirit of these regulations, and where the objectives of this ordinance have been substantially met as determined by the County Engineer and the Development Review Committee (DRC). **Substantial hardships exclude financial hardships.**

Explanation of Application Sections:

1. The Parcel Identification Number is an eighteen (18) digit number defining the subject property. This number is located at the Property Appraiser's website at www.nassaufpa.com.
2. Provide driving instructions to the site.
3. Provide the name and address of the property owner. The owner's name should agree with the recorded deed.
4. Provide the Variance(s) sought (for example: variance to not pave 60' easement). Be sure to include all details of the Variance(s) sought by the applicant.
5. When considering a variance request, the County Engineer shall make a written conclusion that the variance does or does not satisfy the criteria listed in Section 15.1 - *Variations* of the Nassau County Roadway and Drainage Standards. Please address this criteria as listed in parts "a" through "c" on pages 1 and 2 of the application as completely as possible.
6. It is required that a site plan and recorded deed be attached to the application. The site plan must show the size and location of the property. The applicant should also include information that will assist the DRC in its review including dimensions applicable to the variance. For driveway variances, the site plan must show the distance to the property line, adjacent intersections and to any other driveways on same or adjacent property.

The owner's signature is required on the application. If the application is signed by the agent, an *Owner's Authorization for Agent* form must be signed by the owner. Please include the email and telephone number of the person who can be contacted, and familiar with the application, to obtain additional information.

The non-refundable application fee for a Variance is required at the time of application. To confirm the fees please contact the Engineering Services Department at (904) 530-6225. Return the completed application, any supporting data and the application fee to the Engineering Services Department. Please make checks payable to: Nassau County Board of County Commissioners (Nassau County BOCC).

If, for any reason, you wish to withdraw the application, you must notify the Engineering Services Department, in writing, prior to the date of the DRC meeting. No refunds will be given.

Persons with disabilities requiring accommodations in order to participate at the public hearing should contact (904) 530-6225 at least twenty-four (24) hours in advance to request such accommodation.

The Engineering Services Department can be reached at 96161 Nassau Place, Yulee, FL 32097, and (904) 530-6225, Monday through Friday, 8:00am until 5:00pm.
