ONE CITY. ONE JACKSONVILLE.

February 1, 2022

Mr. Thomas R. Ford, Chairman
Nassau County Board of County Commissioners
96135 Nassau Place, Suite 1
Yulee, Florida 32097

Dear Mr. Ford:

The City of Jacksonville Mosquito Control Division is preparing an annual application to the Federal Aviation Administration to renew its congested-area plan of operations that specifically describes low-level mosquito application flights. The operations area for aerial mosquito applications includes the jurisdiction of the Amelia Island Mosquito Control District (AIMCD) in Nassau County.

We are requesting written authorization from the Nassau County Board of County Commissioners in order to complete our application for the 05/01/2022 to 04/30/2023 time period. In accordance with the Federal Aviation Regulations (FAR 137.51(b)(1)), "prior written approval must be obtained from the appropriate official or governing body of the political subdivision over which the operations are conducted."

Aerial applications will be conducted in accordance with an inter-local agreement between the City of Jacksonville and the Amelia Island Mosquito Control District.

A draft letter is enclosed. Please mail your original authorization to me and a copy of your authorization to the Amelia Island Mosquito Control District, attention Mr. Bruce Hyers, for his files.

Thank you for your attention to this matter.

Sincerely,

Randy Wishard
Chief City of Jacksonville Mosquito Control Division
