Re: Potential Watershed Projects in Nassau County, FL

Dear Mr. Hernandez,

We request NRCS Watershed Program planning assistance for Preliminary Investigative Feasibility Reports (PIFR), under the Public Law (PL) 566 project program, in Nassau County, FL, for the attached project list.

We understand that the work for these requested projects may not be determined to be feasible due to present site conditions, increased cost, cultural resource issues, or other environmental factors. However, if any of the projects can move forward, Nassau Soil & Water Conservation District stands ready to act as a sponsoring local organization.

We look forward to working with you and your NRCS staff to affirm the feasibility of this request. The point of contact in our organization is Katie Peay, 904-530-6225 or kpeay@nassaucountyfl.com.

Please contact us for any additional information that you might need in assessing our request.

Sincerely,

Jeff Gray,
Chairman
Nassau County Board of County Commissioners
