**Subject:** Appreciation for an Officer

*Good Afternoon,*

*I'm writing to express my appreciation for Officer Marty Pruitt. Officer Pruitt was dispatched to my house Saturday morning 6/11/22 in regards to a pack of aggressive dogs trespassing onto my property and, after several weeks of dealing with these dogs, Saturday was the breaking point of my tolerance after finding them in my yard again having just broke into a coop housing several baby pet chickens and killed them all. Officer Pruitt met with me on my property after finding out just where these dogs belonged. After meeting with me and then with my neighbor who owned the dogs, he was able to mediate between the two of us and in doing so was able to peacefully resolve a very hectic and emotionally intense situation. I truly believe Officer Pruitt's exceptional professionalism is the primary reason for the peaceful and amicable resolution. He deserves the proper recognition. On behalf of my family and neighbors we appreciation his service.*

Marty,  
Thanks so much for speaking at the Yulee Library this week. Just remember that when the happy day comes that Yulee had a big, beautiful free-standing library building that's easy to find, you were part of the effort that made it happen :). We appreciate the time you gave us after your regular work day and the obvious enthusiasm you have for the job you do.

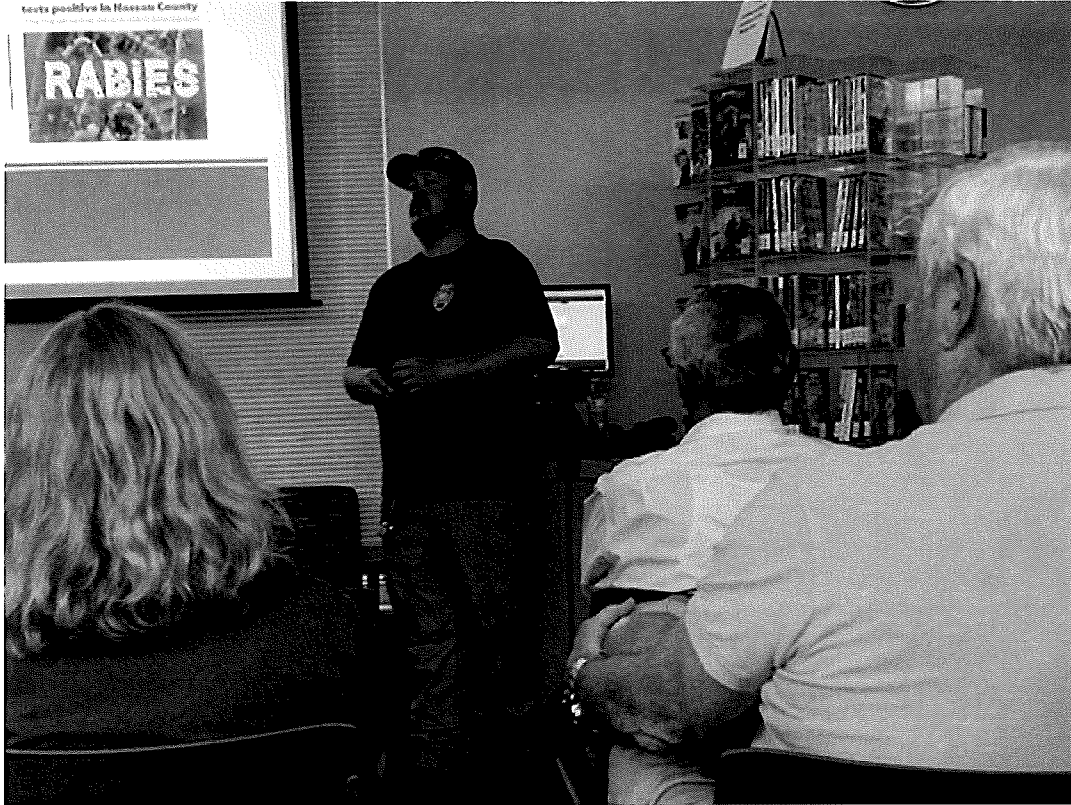

Below is the blurb I'm going to put on Facebook and Nextdoor. Any comments or changes/ I'd like to post it today.

Thanks again, Susan Rizkalla

Many thanks to Animal Services Officer Martin Pruitt who spoke at Talktail Hour at the Yulee Library this week. His presentation about rescuing abused animals and overseeing their recovery to become happy, healthy pets was extremely engaging.
