Good Morning,

It looks like the first available Board meeting I can schedule this for is Wednesday, August 4<sup>th</sup> at 9am. We get similar requests throughout the year so it shouldn't be necessary for anyone to attend the meeting, however you're welcome to if you want. Once the Board approves the request, we will send you an email authorizing use of the lot. Please be advised that the Board normally requires some spaces closest to the beach and ADA spaces to be kept open for the public. The County Manager advised this morning that if you think you may need additional parking, we can ask for use of a portion of Burney Park as well. Please let me know if you wish me to include that in the request as well.

Good afternoon, Ms. Robertson: Barnabas has a new location (Ritz-Carlton) for it's annual Empty Bowls luncheon, to be held this year on Nov.18. This event raises hundreds of thousands of dollars each year for Barnabas, our county's premier safety net for it's many needy residents. Because the Ritz cannot accommodate all the parked cars that would be generated by an event for 700 people we have arranged

for shuttles to go from Peter's Point to the Ritz to aid in event accessibility. Please let me know exactly how to officially request and acquire permission to use the lot for this purpose. Our time frame would be 10 AM until 2PM. Thank you so much for your assistance.
