Mitigation Credits are only available when an investor has land available for conservation in a specific basin. As development in Nassau County continues to encroach wetlands the supply of credits decreases, and the County's opportunity to complete pending projects diminishes.

MITIGATION CREDIT PURCHASE AGREEMENT

THIS MITIGATION CREDIT PURCHASE AGREEMENT ("Agreement") is made and entered into this _____ day of September, 2022, (the "Effective Date") by and between THREE RIVERS TIMBER, LLC, a Florida limited liability company ("Seller") and Nassau County Board of Commissioners, Nassau County, Florida, a political subdivision of the State of Florida ("Purchaser").

Recitals

WHEREAS, pursuant to permit number 94925-7 issued by the St. Johns River Water Management District ("SJRWMD"), Seller is the sponsor of the Thomas Creek Mitigation Bank, a 594.50-acre mitigation bank located in Nassau County, Florida, within Regional Watershed #3 (Nassau River);

WHEREAS, Purchaser seeks to fulfill the requirements of various permit applications with SJRWMD under Florida Environmental Resource Permits (the "SJRWMD Permits") to allow the discharge of clean non-toxic fill material into a wetland for the various projects under its direct authority and control (individually, a "Capital Project" and collectively, the "Capital Projects");

WHEREAS, two such Capital Projects are the William Burgess Boulevard Extension (SJRWMD application# 118853-6) and the Westside Regional Park (SJRWMD application# 190161-1); and

WHEREAS, as a condition of the SJRWMD Permits, the Purchaser will be required to compensate for the proposed impacts to wetlands resulting from the development of the Capital Projects.

Terms of Agreement

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, it is agreed as follows:

1. Purchase Price

Seller hereby agrees to reserve and transfer ten (10) state Forested Freshwater Uniform Mitigation Assessment Method ("UMAM") credits from the Thomas Creek Mitigation Bank (the "NCBC Mitigation Credits") for Purchaser to partially or totally fulfill the mitigation requirements of the SJRWMD Permits in consideration of the total sum of one million two hundred and fifty thousand dollars (\$1,250,000.⁰⁰) (the "Purchase Price"), payable in U.S. dollars in cash or legally available funds, subject to the terms herein. The Purchase Price shall be payable to Seller on or before the date which is fifteen (15) days from the Effective Date.

2. **Reservation and Transfer Process**

The NCBC Mitigation Credits will be reserved by Seller and transferred to Purchaser as follows:

A. **Reservation Period.** Upon Seller's timely receipt of the Purchase Price, Seller will reserve the NCBC Mitigation Credits for Purchaser for up to three (3) years from the Effective Date (the "Reservation Period").

B. **Reservation Letter / Notification.** During the Reservation Period and within five (5) business days of receiving a written request from Purchaser, Seller will convey a letter or electronic mail to SJRWMD indicating the number of NCBC Mitigation Credits that have been reserved by Purchaser for application to the mitigation plan for a specific Capital Project (the "Reservation Letter"). Seller shall provide a copy of the Reservation Letter to Purchaser.

C. **Transfer Letter / Notification.** During the Reservation Period and within five (5) business days of receiving a written request from Purchaser, Seller will convey a letter or electronic mail to SJRWMD indicating that the NCBC Mitigation Credits reserved for a specific Capital Project have been transferred to Purchaser for application to the Capital Project's mitigation plan (the "Transfer Letter").

D. **Process.** During the Reservation Period, the Reservation Letter and Transfer Letter notification process described above in sections 2.B. and 2.C. may be repeated for successive Capital Projects until all NCBC Mitigation Credits have been reserved and transferred. Seller will maintain a ledger of all NCBC Mitigation Credits that have been reserved and transferred according to each Capital Project. In no event, however, will the cumulative number of mitigation credits reserved and transferred by Seller for benefit of the Capital Projects exceed ten (10) credits.

3. **Purchaser's Obligations**

Purchaser shall promptly provide to Seller all information and supporting materials regarding the Capital Projects and its mitigation plan for each such Capital Project as reasonably requested by Seller for its business purposes, including compliance with filing and approval requirements. Purchaser shall perform all obligations required to maintain compliance with the terms and conditions of its SJRWMD Permits.

4. **Seller's Obligations**

Seller represents that it is authorized by SJRWMD to convey the NCBC Mitigation Credits from Thomas Creek Mitigation Bank in accordance with its SJRWMD permit and that it has good and sufficient title to the NCBC Mitigation Credits that it will convey to Purchaser. Seller shall be responsible for the development and maintenance of the NCBC Mitigation Credits in accordance with the requirements of the SJRWMD. Except as otherwise provided in this Agreement, Purchaser shall have no rights or obligations to perform any of the responsibilities of the Seller now or hereafter set forth by the SJRWMD regarding the development and maintenance of the NCBC Mitigation Credits or the Thomas Creek Mitigation Bank.

5. **Disclaimer and Acknowledgement**

Seller does not warrant that the NCBC Mitigation Credits will be adequate to satisfy Purchaser's mitigation plan for the Capital Projects and is not obligated to transfer to Purchaser any additional wetlands mitigation credits that might be available from Thomas Creek Mitigation Bank even if the NCBC Mitigation Credits are not adequate to satisfy Purchaser's mitigation plans. Purchaser acknowledges that the NCBC Mitigation Credits are applicable only to SJRWMD jurisdiction wetlands within its Basin 3 and cannot be used to mitigate the impact to wetlands that are under the jurisdiction of the United States Army Corps of Engineers permitting system. Purchaser further acknowledges that NCBC Mitigation Credits conveyed to Purchaser are non-transferrable and, except as otherwise provided in this Agreement, the Purchase Price paid for the NCBC Mitigation Credits is non-refundable.

6. **Brokers**

Seller and Purchaser represent to each other that neither they nor anyone on their behalf has dealt with or consulted with any broker, agent or other person in connection with this matter, and that no commission or finder's fee will be payable as a result of the execution of this Agreement or the consummation of the transaction contemplated hereby. In the event a broker, agent or other person claims to have dealt with one of the parties contrary to the foregoing representation, the party with whom the broker, agent or other person claims to have dealt or consulted with agrees to indemnify and hold the other party harmless against any such claims or demands, including reasonable attorneys' fees and costs incurred by such other party.

In the event of Purchaser's default hereunder, Seller shall be entitled to terminate the Agreement and retain any portion of the Purchase Price previously paid and all NCBC Mitigation Credits reserved on Purchaser's behalf as its sole remedy.
