Baylee Dover Franklin

First and foremost, I would like to thank whoever is reading my resume for your time and consideration. I am honored to have been considered to represent District 4 on the appointed planning and zoning committee. Serving Nassau County and being an involved member of the community has always been particularly important to me. The younger generation of Nassau County has much knowledge and skill to offer, I hope that upon my approval, I can encourage other residents of age to get involved and find ways to better serve Nassau County.

Thank you,

Baylee Dover Franklin
