Date: October 1, 2022

To: All Bidders and Purchasers

From: Steve Casey, Executive Director

Re: Notice of Award for Contract FSA22-VEH20.0: Heavy Trucks and Buses

We are pleased to announce that the Florida Sheriffs Association (FSA) has successfully completed its 20th year of the cooperative purchasing contract for heavy trucks and buses. The FSA is issuing a Notice of Award for the contract, that will be effective from October 1, 2022, through September 30, 2023. This year's bid included 152 items offering tactical armored vehicles, conventional and electric buses, refuse trucks, mobile command units, cab and chassis trucks.

The competitive process for this award began in April 2022, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products. An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On April 22, 2022, a direct notification was sent to 753 prospective bidders to participate in a voluntary bidder workshop and to register for bid qualification. The three-month ITB advertisement resulted in 79 pre-bid attendees or waivers. Of these respondents, 33 submitted bids and 29 qualified.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.
