RE: Qualified Target Industry Tax Refund (§288.106, F.S.) (QTI) Tax Refund Claim  
FY2016-2017 / Agreement #: SB15-020 / Project#: 14-00675

Dear Mr. Bell:

The Division of Strategic Business Development (DSBD) is pleased to inform Morris and Lee, Inc. that its State Fiscal Year 2016-2017 QTI tax refund claim has been approved for a full refund in the amount of \$17,100.00. DSBD's decision was based on a review of the company's calendar year 2015 tax refund application, and included independent research and analysis of supporting documentation provided to confirm the required number of jobs, wages paid and eligible taxes paid.

The approved refund of \$17,100.00 includes the required 20 percent local support to be provided by Nassau County. DSBD has requested the required Local Financial Support; once received, DSBD will process Morris and Lee, Inc.'s approved refund for payment.

We wish Morris and Lee, Inc. continued success with this QTI project. Should you have questions about your tax refund claim, please contact David Zeckman, DSBD's Bureau Chief of Compliance and Accountability, at either (850) 717-8962 or [david.zeckman@deo.myflorida.com](mailto:david.zeckman@deo.myflorida.com).

COUNTY ORGANIZATION AND INTERGOVERNMENTAL RELATIONS	COUNTY ANNUAL BUDGET	

### **129.06 Execution and amendment of budget.—**

(1) Upon the final adoption of the budgets as provided in this chapter, the budgets so adopted must regulate expenditures of the county and each special district included within the county budget, and the itemized estimates of expenditures must have the effect of fixed appropriations and may not be amended, altered, or exceeded except as provided in this chapter.

(a) The modified-accrual basis or accrual basis of accounting must be followed for all funds in accordance with generally accepted accounting principles.

(b) The cost of the investments provided in this chapter, or the receipts from their sale or redemption, may not be treated as expense or income, and the investments on hand at the beginning or end of each fiscal year must be carried as separate items at cost in the fund balances; however, the amounts of profit or loss received on their sale must be treated as income or expense, as applicable.

(2) The board at any time within a fiscal year may amend a budget for that year, and may within the first 60 days of a fiscal year amend the budget for the prior fiscal year, as follows:

(a) Appropriations for expenditures within any fund may be decreased or increased by motion recorded in the minutes if the total appropriations of the fund does not change. The board of county commissioners may establish procedures by which the designated budget officer may authorize budget amendments if the total appropriations of the fund does not change.

(b) Appropriations from the reserve for contingencies may be made to increase the appropriation for any particular expense in the same fund, or to create an appropriation in the fund for any lawful purpose, but expenditures may not be charged directly to the reserve for contingencies.

(c) The reserve for future construction and improvements may be appropriated by resolution of the board for the purposes for which the reserve was made.

(d) A receipt of a nature from a source not anticipated in the budget and received for a particular purpose, including but not limited to grants, donations, gifts, or reimbursement for damages, may, by resolution of the board spread on its minutes, be appropriated and expended for that purpose, in addition to the appropriations and expenditures provided for in the budget. Such receipts and appropriations must be added to the budget of the proper fund. The resolution may amend the budget to transfer revenue between funds to properly account for unanticipated revenue.

(e) Increased receipts for enterprise or proprietary funds received for a particular purpose may, by resolution of the board spread on its minutes, be appropriated and expended for that purpose, in addition to the appropriations and expenditures provided for in the budget. The resolution may amend the budget to transfer revenue between funds to properly account for increased receipts.
