Dear Sir:

On behalf of the American Beach Property Owners' Association, I am writing to request No Parking signs be installed on Burney Road near Gregg Street in American Beach. Residents on Burney Road east of the Burney Park entrance are frequently blocked in their driveway or blocked from gaining entrance to their driveway by cars parked on the roadside belonging to beachgoers.

We are also concerned about the debris and litter that is left behind by visitors and beachgoers who park on the county-owned lots, across from Evans Rendezvous on Gregg Street. We believe trash receptacles would help to remedy this problem. More frequent cutting of these lots is also appreciated for visual appeal.

We appreciate so much your attention to the above-mentioned issues in American Beach.

Sincerely,

Joyce Jefferson, President
American Beach Property Owners' Association.
