Other requirements in the section remain unchanged.

Implementation date: For all non-Federal entities, there is an additional one-year grace period for implementation of the procurement standards in 2 CFR 200.317 through 200.326. This means the grace period for non-Federal entities extends through December 25, 2017, and the implementation date for the procurement standards will start for fiscal years beginning on or after December 26, 2017.

Under the authority of the Chief Financial Officers Act of 1990 (31 U.S.C. 503), the Office of Management and Budget amends 2 CFR part 200 as follows:

PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS

■ 1. The authority citation for part 200 continues to read as follows:

Authority: 31 U.S.C. 503.

■ 2. In § 200.110, revise paragraph (a) to read as follows:

§ 200.110 Effective/applicability date.

(a) The standards set forth in this part that affect the administration of Federal awards issued by Federal awarding agencies become effective once implemented by Federal awarding agencies or when any future amendment to this part becomes final. Federal awarding agencies must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014, unless different provisions are required by statute or approved by OMB. For the procurement standards in §§ 200.317 through 200.326, non-Federal entities may continue to comply with the procurement standards in previous OMB guidance (as reflected in § 200.104) for a total of three fiscal years after this part goes into effect. As such, the effective date for implementation of the procurement standards for non-Federal entities will start for fiscal years beginning on or after December 26, 2017. If a non-Federal entity chooses to use the previous procurement standards for all or part of these three fiscal years before adopting the procurement

standards in this part, the non-Federal entity must document this decision in its internal procurement policies.

Cathy,

Thanks for reaching out to Glen for additional information.

During the webinar, I answered your question about use of the grace period available in 2 CFR 200.110 to use the old procurement standards located at 2 CFR Part 13.36 and 2 CFR Part 215. A non-Federal entity can use the grace period for three additional fiscal years after 2 CFR Part 200 goes into effect. The start of the fiscal year is based on the start of the fiscal year for that particular non-Federal entity.

The Uniform Rules (2 CFR Part 200) went into effect for all disaster occurring on or after December 26, 2014.

The count starts at the start of the first fiscal year after December 26, 2014. Therefore, if you are using the grace period and your fiscal year starts January 1, here's how your 3 additional fiscal years would break down:

Additional Fiscal Year 1 – Jan. 1, 2015 to Dec. 31, 2016

Additional Fiscal Year 2 – Jan. 1, 2016 to Dec. 31, 2017

Additional Fiscal Year 3 – Jan. 1, 2017 to Dec. 31, 2018

Nassau County
10/1/15 - 9/30/16 yr 1
10/1/16 - 9/30/17 yr 2
10/1/17 - 9/30/18 yr 3

If a non-Federal entity elects to use the grace period, it must affirmatively document this decision in its internal procurement policies, including the date upon which its grace period will end and it will accordingly transition to the new procurement standards.

Regards,
Janell

Subject: Fw: RECOVERY - PDAT Training (2-Hour Attorney Session) Confirmation - Presenter Janell Smith's email requested

During the 9-27-17 9 am-11 am Procurement under FEMA Public Assistance Awards webinar, presenter Jannell Smith-FEMA Legal, clearly stated that if a local government's fiscal year began

October 1 and they approved extending compliance with 2 CFR 200.317-.326 for three years, as allowed by 2 CFR 200.110, the three year period would end 9/30/18.

I would like to confirm this in writing as there has been much discussion about ending date and we would like to modify our current Board adopted purchasing policy which now states through 12/25/17 to the 9/30/18 date.

Could you please provide me with Ms. Smith's email so I may request written confirmation of the 9/30/18 date? I did not write it down when she gave it, in error. Thank you for your assistance.
