We are pleased to announce that you may now obtain your 2017-2018 emergency medical services (EMS) county grant funds.

401.113 (2) (a), Florida Statutes, requires the state to return to each county 45% of its own yearly deposits into the state EMS Trust Fund.

Section 401.113 (l); Florida Statutes, requires the funds must be used solely to improve and expand pre-hospital EMS. Therefore, replacement, indirect, and recurring costs are not allowable.

The amount for your county this year is **\$8,885.00**

The state EMS website at the following address has the forms and instructions to obtain the funds. At the site scroll down the page to "County Government Grants." <http://www.floridahealth.gov/provider-and-partner-resources/ems-grants/index.html>
