Hi Becky,

Thanks for providing additional information concerning the advertisement addendum waiving pre-qualification of the contractor based on the threshold under \$250,000 per 337.14.

In addition, since your lowest bidder withdrew and is non-responsive, you may proceed with your second bidder, Florida Infrastructure for the shoulder repair in the amount of \$245,600.00.

Please consider this email as your Concurrence in Award.

Kim Evans

Kim,

The County waved the pre-qualification requirement.

Thank you,

Becky,

Addendum No. 2 under the question and answers we stated that the County will waive the FDOT pre-qualifications. It was not written in the ITB but mentioned in the pre-bid meeting and then quickly challenged by a vendor.

Thanks,

Angela Gregory

I have additional information to share when you have time. Please just let me know if the bid required the contractor to be FDOT pre-qualified.

Becky,

Because the CEI services bring the total budget of the project over \$250,000. I would suggest we send this back out for bids. This time we make sure we do not waiver on the FDOT pre-qualification.

Thanks,

Angela Gregory

Becky,

This is to follow up with our telephone discussion.

Yes, it is absolutely OK to go with your second choice since the bidder withdrew and is non-responsive. I have another question. Does Florida Infrastructure go by another name?

I've checked and Florida Infrastructure is not showing up on the FDOT Pre-qualification list. Will the total cost of work be under \$250,000? If so, we can waive the pre-qualification per FS 337.14

If the projects total cost (design, construction, CEI) is under \$250,000 then the Agency may waive the FDOT pre-qualification per 337.14

<image001.jpg>

I've also found out that you can run a 14 day ad however 21 days is preferred.

Just let me know what you come up with.

Subject: Middle Griffin Shoulder Repair Bids (Email 1/3)

Kim,

Attached are the bid tabulation and bid packages received for the Middle Griffin Road Shoulder Repair project. The lowest bidder, JMD Global Developers has submitted at letter forfeiting their bid. Therefore, the County would like to move forward with awarding the bid to the 2nd lowest bidder, Florida Infrastructure, Inc.

Please let us know FDOT concurs with this recommendation.

Due to the size of the bid packages submitted, I will be sending a total of 3 emails. Please let me know if you do not receive all of the emails.

Thank you,

Becky Hiers-Bray, P.E.
