**RE: Application for Rezoning to Planned Unit Development
Concourse Crossing, Phase 1
Prosser Reference No. 116023.03**

Mr. Pope:

I respectfully request continuance (deferral) of Application No. **R17-006** presently scheduled for the December 11 Board of County Commissioners meeting. After yesterday's creative session with you and your staff, we are revising our application materials to help better illustrate how the project can be something extra special for the Commissioners to consider. We are attempting to submit the revised application to the County no later than December 15, 2017. We respectfully request the public hearings for R17-006 be held at the Planning and Zoning Board's **January 22, 2018** meeting, and then by the Board of County Commissioners **February 12, 2018**.

If I can be of any further assistance with this deferral, please do not hesitate to contact me day or night at 904.318.8448 or trobbins@prosserinc.com. I will be in Nassau County this Friday afternoon and can easily stop by to discuss this matter further if you like.

With kind regards, I am

PROSSERTM
