RE: DRAFT AMENDMENT TO THE ANIMAL CONTROL ORDINANCE

-----

Attached are copies of the two proposed ordinances regarding the amendment to the Animal Control Ordinance. The version marked "Alternate Version" at the top of the document addresses tethering but does not require that the Owner or Responsible Party be outside with the dog or cat or that the dog or cat be within visible range of the Owner or Responsible Party. The other draft version that I have provided requires that the Owner or Responsible Party be outside with the dog or cat and that the dog or cat be in visible range of the Owner or Responsible Party.

We will provide these two versions to the County Manager's Office to ensure that these are posted on the website for the public's information. We will provide these in the agenda item for the April 18, 2018 Board of County Commissioners meeting.

If you have any questions, please do not hesitate in contacting me.
