Re: Presentation to Nassau County Board of County Commissioners on July 18, 2018

Dear Ms. Jones,

The South Amelia Island Shore Stabilization Association, Inc. (SAISSA) respectfully requests an opportunity to update the Board of County Commissioners at their regular Wednesday meeting of July 18, 2018. Our presentation will take no longer than 15 minutes and will provide the Commission with the current status of the SAISS Beach Project including:

1. Current activities
2. Beach Performance
3. Status of FEMA funding to replace beach sand lost with Hurricane Matthew and Hurricane Irma
4. Activities proposed for FY19 and FY20.

In addition, as a separate Agenda Item requiring Board Action, we will also present the 2019-2020 Local Government Funding Request for your approval. FDEP requires the submission of this Application by August 1, 2018.

Thank you for the opportunity to keep the County Commissioners informed and up to date on current and future SAISSA Activities.

Sincerely,

Andrew L. Wallace by
