Ms. Robertson,

It is my understanding that during discussions regarding my appointment to the Northeast Florida Regional Council, that my service on the Nassau County Code Enforcement Board prevented me from serving in both positions at the same time. If this is correct, please consider this email as my resignation from the Code Enforcement Board effective immediately.

I have enjoyed serving on the Code Enforcement Board for the past several years and look forward to serving Nassau County on the Northeast Florida Regional Council.

I have cc'd Commissioner Leeper since my Code Enforcement Board seat represented his District and he will need to nominate a replacement.

Sincerely,  
John Martin
