Re: Information Items Only

Nassau County Public Libraries have programs at our branches all year long.
Please see attached flyers for our latest events.

Complete list of events can be found on the Library website at nassaureads.com.

The Yulee Branch Library has been operating within the FSCJ Library space since July 2001. It was initially a beneficial partnership for Nassau County. Nassau County was able to operate a branch library at a reduced cost.

The partnership is no longer beneficial to Nassau County. My recommendation is to relocate the Yulee Branch Library.
