RE: City of Fernandina Beach Certificate of Need

Dear Mr. Mullin:

It is important that the County and the City agree to the terms and conditions of a Certificate of Public Convenience and Necessity ("Certificate of Need") for the City to continue to provide advanced life support and emergency transport services. The current Certificate of Need expires on December 31, 2018.

The City of Fernandina Beach would like for this matter to be scheduled on the first available Nassau County Commission agenda. I hope to hear from you soon.

Sincerely,

Dale L. Martin  
City Manager
