Doug: my client has decided not to pursue this project at requests withdrawal of the land use amendment, NOPC, and FDP applications. Thank you for all of the County's assistance on these matters. Would you let me know if anyone needs to attend the 11/8 or 11/26 meetings in connection with the withdrawal requests?

Regards,  
Wyman

Wyman:

The applications for this parcel (NOPC18-001, CPA18-008, and FD18-006) were continued to the October 16 Planning & Zoning Board.

It's my understanding we're still awaiting a resubmittal of the final development plan (FDP) (FD18-006). Morgan met with Taco recently to discuss changes to it.

The applications were originally continued since the FDP wasn't ready to move with the others.

Would you care to continue the items again to the November 8 Planning & Zoning Board meeting? If so, the items could still move forward on November 26 with the BOCC (to which they were previously continued to).

Please let us know as soon as possible, as staff reports would need to be published by Wednesday if they are moving forward on 10/16. Thank you.
