**Subject: NAU WWTF Clarifier Rehabilitation Project (NC 18-010)  
Bid Tabulation and Recommendation of Award**

Dear Mr. Hagins:

We have reviewed the bids received for Nassau Amelia Utilities Waste Water Treatment Facility (NAU WWTF) Clarifier Rehabilitation Project. The bids were received on Tuesday, August 21, 2018 from four contractors as follows:

- SGS Contracting Services, Inc.
- Petticoat-Schmitt Civil Contractors, Inc.
- Sawcross, Inc.
- E&D Contracting Services, Inc.

The bids have been checked for mathematical errors, verified and evaluated for conformance with the criteria set forth in the bidding documents. The attached spreadsheet includes the project bid tabulation. The apparent low bidder is SGS Contracting Services, Inc.

- SGS Contracting Services, Inc. is the low bidder for the project with a Based Bid of \$359,700.00.
- SGS Contracting Services, Inc. is the low bidder for an Alternate Bid No. 1 of \$368,000.00.
- SGS Contracting Services, Inc. is the low bidder for total cost of a Base Bid, Alternate Bid No. 1 and Alternate Bid No. 2 of \$797,700.00

We recommend award of the Base Bid plus Alternate No. 1 and Alternate No. 2 to SGS Contracting Services, Inc. for a total of \$797,700.00. This bid price covers the rehabilitation of both clarifiers (No.1 and No.2) plus material upgrade to stainless steel.

We appreciate this opportunity to be of service to the Nassau County and look forward to the successful construction of this project.

Sincerely,

**GAI Consultants, Inc.**

Jay Ameno, PE  
Senior Engineering Manager
